

**Amherst Island Wind Project Construction Update**

**Traffic Interruption - Front Road**

Dear Residents,

Short-term traffic interruptions will occur along Front Road originating from the Project Island Dock entrance to the Central Staging area, in the approximate area of 6400 Front Road. Interruptions in this designated area will continue throughout the scope of the project, starting August 15<sup>th</sup> until September 22<sup>nd</sup>, 2017. Traffic Control Persons will manage traffic flow according to Ontario Traffic Manual -Book 7 Guidelines. Construction and project updates will be available at [www.amherstislandwindproject.com](http://www.amherstislandwindproject.com) and via social media. Residents can contact Windlectric Inc. directly by calling 1.844.379.7740 or by email [windlectric@amherstislandwindproject.com](mailto:windlectric@amherstislandwindproject.com).
